"Happy Crypto Weekends" Promotion

IMPORTANT RISK DISCLAIMER

Trading cryptocurrency CFDs carries a high risk of capital loss. These products are complex, volatile, and may not be suitable for all investors as you could lose substantially more than your initial deposit. Past performance is not indicative of future results.

This offer should not be interpreted as an incentive to increase trading activity or to engage in high-volume trading. Clients are reminded to trade responsibly and in accordance with their individual risk tolerance and investment objectives.

1. Promotion Overview

BROKSTOCK is pleased to offer the "Happy Crypto Weekends" promotion, providing a **50% discount on trading fees** for eligible crypto CFD instruments. Clients will be charged standard fees (100%) when the trade is executed, and **50% will be refunded** to their accounts within 15 business days after the end of the month the trade occurs.

Key Dates:

- **Promotion Period:** 18 July 2025 – 31 December 2025.
- **Refund Processing:** Within 15 business days after the end of each month.

2. Eligible Instruments

3. Terms and Conditions

A. Eligibility

- Open to **all BROKSTOCK clients** (new and existing).
- Only **CFD trades** on eligible crypto instruments (listed above) qualify.
- Trades must be executed **via the BROKSTOCK platform** (website/app).

B. Refund Mechanism

- **Standard fees (100%)** are charged at trade execution.
- **50% of fees** are refunded to the client's account within **15 business days** after the end of the month in which the trade occurred.

Example: Trades made in October 2025 will be refunded by 15 November 2025.

- Refunds apply **only to trading fees**; swap fees, or other charges are excluded.
- **Maximum refund cap:** R10 000 per client for the entire promotional period.
- **Monthly refund cap:** refunds are applied to fees charged for trading volumes up to R5 000 000 per client per month during the promotional period.
- Fee refunds do not imply reduced trading risk. Clients remain fully exposed to market volatility and potential losses.

C. Account Requirements

- Clients must maintain **an account balance \geq R5 000** at the end of each trading day for promotional conditions to apply (clause 3.E).
- Accounts must be **in good standing** (no suspected fraud, sanctions, or breaches of BROKSTOCK's terms).

D. Promotion Limitations

- Refunds apply to **both buy and sell trades**.
- **Excluded Activities:**
 - Trades using external APIs or third-party tools.
 - Internal transfers, withdrawals, or non-crypto CFD instruments.
- BROKSTOCK reserves the right to **exclude clients** engaging in market abuse, arbitrage, or

manipulative trading.

E: Trading Day Applicability

This promotion is valid on **all weekends (Saturdays and Sundays)** during the promotional period.

F. General Provisions

- **Changes to Promotion:** BROKSTOCK may modify or terminate this promotion at any time. Updates will be published on the [official website](#) or BROKSTOCK App.
- **Binding Agreement:** Participation implies acceptance of these terms. BROKSTOCK's decisions regarding eligibility are final.
- **Holiday Consideration:** If the last refund processing day is a South African public holiday per the provided calendar or a weekend, refunds will be processed by the next business day.
- **Regulatory Compliance:** This promotion adheres to the [Regulations for Conducting Special Promotions](#).

G: Risk Acknowledgement

- **High Volatility Warning:** Cryptocurrency CFDs are subject to extreme price volatility. Losses may exceed deposited funds due to leverage.
- **No Profit Guarantee:** This promotion **does not guarantee profits** or reduce inherent trading risks. Fee refunds are unrelated to trade outcomes.
- **Investor Responsibility:** Clients must independently assess whether crypto CFDs align with their risk tolerance, financial goals, and trading expertise. Seek independent financial advice if uncertain.

H. Mandatory Risk Disclosures

- **Capital Loss Risk:** Up to 80% of retail investor accounts lose money when trading CFDs¹. BROKSTOCK statistics suggests 15% of retail investors demonstrated capital losses in 2024.
- **Leverage Hazards:** Leveraged positions magnify both gains and losses. Margin calls may require additional funds.
- **No Risk Mitigation:** This promotion solely reduces fee costs. It does not alter the high-risk nature of crypto CFD trading.
